Illinois 32 south of Lovington to close Nov. 15

DECATUR – The Illinois Department of Transportation announced that the closure of Illinois 32 a half-mile south of Lovington in Moultrie County begins Monday, Nov. 15.

The work involves upgrading the capacity of a box culvert. A detour using Illinois 133, Cadwell Road and Illinois 121 will be posted. Work is expected to be completed by Nov. 24, weather permitting.

No traffic will be permitted on Illinois 32 between TR 2050N and TR 2000N during the repairs. Motorists are encouraged to follow the posted detour and should allow for extra travel time. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,500 miles of highway and 9 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Two included approximately \$5.2 billion of improvements statewide on 3,020 miles of highway, 270 bridges and 428 additional safety improvements.
